

## MEMORANDUM

TO: Telecommunications Coordinators

FROM: Frank Cavallaro, Manager *F.C.*  
Bureau of Communications and Computer Services

DATE: April 2, 2002

SUBJECT: Reduced Cellular Rates for Region 7

---

The Central Management Services Division of Telecommunications is pleased to announce reduced monthly and per minute cellular airtime rates in the state's cellular Region 7. Region 7 is comprised of Adams, Brown, Cass, Morgan, Pike, Scott, Green, Calhoun and Macoupin counties in western Illinois (see attached map for coverage areas). These rate reductions are a result of the recent contract renewal with Cingular Wireless.

Beginning March 13, 2002 the new rates will be as follows:

	<u>New Rate</u>	<u>Old Rate</u>
Monthly	\$8.75	\$10.73
Per minute peak	\$0.11	\$0.24
Per minute off peak	\$0.11	\$0.13

Please note that the peak and off-peak rates are now the same.

If you have any questions regarding these rate changes or any of our cellular offerings, please contact Lori Usherwood at (217) 557-1652.
